**Body, container:** Aluminum (A6061)  
**Handle grip:** Solid wood  
**Handle shaft:** Stainless steel  
**Centre shaft:** 303 stainless steel  
**Burr:** Stainless steel

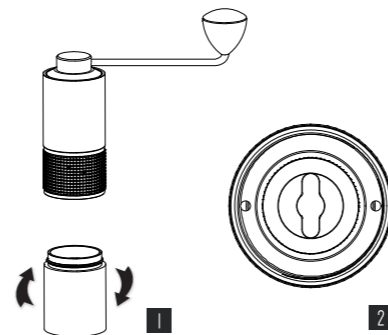

## Material guide

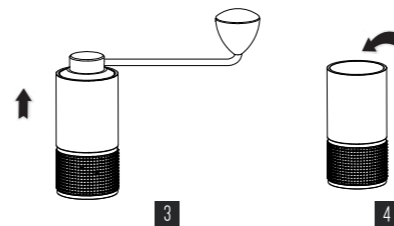

## Parts

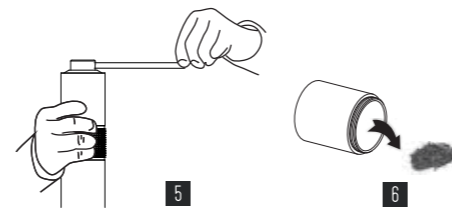

## How to use

Unscrew the container to adjust the grind setting on the bottom of the main body (see next section for more information).

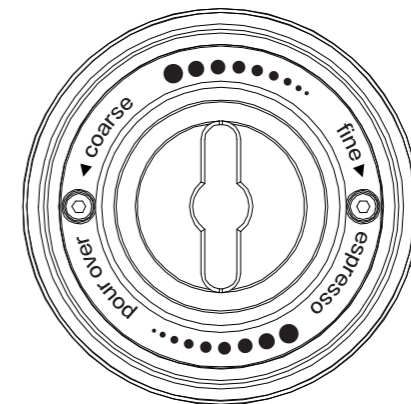

Screw the container back in place and remove the lid to add your coffee beans.

Put the lid back in place and grind. Unscrew the container to take out the ground coffee.

## Adjusting the grind size

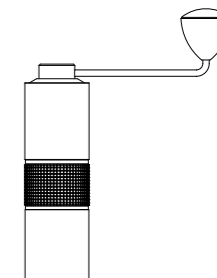

The grind size regulator, located on the bottom of the main body.

▶ Rotate clockwise for a finer grind size; rotate counterclockwise for a coarser grind size.

▶ Please note that the shaft needs to be kept in place by attaching the lid to the top of the grinder in order to adjust the grind settings.

## Precautions for use

- ▶ This product was designed only for use with coffee beans. Please do not add anything other than coffee beans to the grinder.
- ▶ Please clean the grinder and burrs with brushes. Please do not use water for cleaning.
- ▶ The burr is very sharp. Please wear safety gloves when handling the burr.
- ▶ Store out of reach of children.

## Reminders

- ▶ Make sure to properly store the handle/lid in order to prevent losing it.
- ▶ If irregularities such as looseness or cracks are visible, please refrain from using the product.
- ▶ Please follow local rules on garbage disposal when disposing of this product.
- ▶ HARIO and its subsidiaries shall not be held liable for any damages resulting from the misuse or improper handling of this product.
